District Superintendent's Report

Thanks to the tireless efforts of our students, their families, teachers, staff, and administrators, the Chesterfield County School District continued to show progress in many important areas during the 2009-2010 school year.

Our district met the guidelines for Average Yearly Progress with seven of our schools: Cheraw Intermediate, Cheraw Primary, Edwards Elementary, Jefferson Elementary, McBee Elementary, Plainview Elementary, and Ruby Elementary.

On the PASS test, Chesterfield County students exceeded a 70% passing rate on English/Language Arts in 3rd, 4th, and 5th grades, mathematics in 4th grade, and social studies in 4th and 6th grades.

On the High School Assessment Program test, the state's exit exam, the percentage of students taking the HSAP and passing both sections on the first attempt at Central and Chesterfield High school continue to be the higher than the state average.

Chesterfield High School exceeded the state average for the SAT for 2009, while McBee High School improved by 54 points.

Central High School won a Palmetto Gold award for closing the achievement gap and also earned a Palmetto Silver award for academic achievement. McBee Elementary School picked up a Palmetto Silver award for academic achievement.

Eight teachers earned National Board Certification, bringing the total to 75 for the district.

Chesterfield County schools also had 26 Junior Scholars and nine National History Day participants.

Our students continued to excel in athletics. Central High School won a state championship in golf, while Chesterfield High won state titles in football, wrestling, and softball.

I would like to say "thank you" to all the teachers, principals, district staff members, and other district employees, as well as citizens, for working cooperatively to provide a positive environment which enables all students in Chesterfield County to receive a quality education. I challenge you to build on these successes in the future.

John E. Williams, Ph.D., Superintendent
